Jacob Leow

PCI 3DS Assessor (1100-152)

This certificate of compliance is subject to re-qualification at 12-month intervals and suspension or revocation for failure to comply with any applicable requirement set forth in PCI 3DS v1.0. Compliance with PCI 3DS v1.0 does not warrant or imply the prevention of any or all unexplained product losses. For details about the PCI DSS compliance, refer to the Attestation of Compliance (AoC) and Report of Compliance (RoC).
